Local Research Opportunity

Researchers at the **IWK Health Centre**, located in Nova Scotia, need caregivers of acquired brain injury survivors living in Canada to share

their **experiences** by participating in an online study. To participate,

visit: https://tinyurl.com/caringforwardsignup

If you care for a loved one with an **acquired brain injury** and live in Canada, you may be eligible to take part. The person you care for could be a child, a parent, a spouse, a friend, a sibling, or a relative. For more information, visit our website: https://www.caringforward.ca/

Five Pieces of GOOD NEWS

1. A set of **conjoined twins** who survived separation surgery, against a 2% surgery **success rate**, have just **graduated kindergarten!**

- 2. After moving to the East Coast, a family noticed their neighbour, an elderly old man, had no one visiting. It did not take them long to welcome him into their home, and have celebrated every holiday and event since moving to the neighbourhood. They now consider him a huge part of their family, and the children refer to him as "Uncle Paul."
- 3. Elephants in a zoo in Houston participate in 5 minutes of yoga everyday! Zookeepers watch as they do slow, static stretches and even headstands! This allows zookeepers to monitor their health, if anything is off in their routine they know to contact a veterinarian to check them out.

- 4. An American non-profit organization is celebrating a big win this year. After 26 years in business they have helped 5000 kids connect with new homes. This adoption organization focuses on helping keep siblings together during adoption, and helps families cover the adoption costs to keep siblings in the same home.
- 5. A new **mobile therapy service** has taken a unique approach on animal therapy. **Sheep** are being trialed as a new unique form of animal therapy. The girls trialling it have been travelling to different **individuals' homes** to offer them a **unique therapy** in the person's current **safe space!**
